SUSTAINABILITY UPGRADE WITH WASSER 3.0 PE-X®

An important note in advance:

Your answers, of course, will be kept confidential and will not be forwarded to third parties.

How can we reach you?

Company

Contact person

E-Mail

Telephone

Tell us more:

Which volume of water would you like to treat?

Do you know your type of pollution?

organic

inorganic

undissolved

dissolved

In which pH range do you operate?

In which temperature ranges do you operate?

For undissolved substances and/or solids:

Do you have information about the concentration of the particles or solids?

Do you use hazardous substances in your sector?

If yes, can you please provide us with the safety data sheets?

Do you operate in specific environments?

Explosion protected

Water-protected area

Others

Do you have any space constraints in your sector?

How much space is available to install water treatment technologies?

Do you require a confidentiality agreement for our exchanged information?

Tell us more about your goals.

Which water quality would you like to achieve?

Should the waste be reused?

Should the water be recycled or used for other processes?

If yes,?

Do you have any other comments?

Thank you very much for your help. We will get back to you as soon as possible.
